

SUPPLY LIST 2017- 18

Parents frequently ask our teachers what they can do to assist the school. There are many ways, from volunteering your time to providing extra supplies. The school provides all the supplies that are necessary for students, but any additional supplies would always be welcomed and appreciated. This is definitely not a requirement, but rather a suggestion for those of you who have asked us what you can do to help. Below is a suggested list of supplies by grade level from most teachers. (A backpack or book bag is highly recommended for all students.)
