

## Our Aspiration

The mission of Rocklin Elementary School, a richly diverse educational community and leader in academic excellence, is to ensure that all students are valued and supported in a collaborative environment to reach their full potential through a system distinguished by:

- unique opportunities for critical thinking, intellectual curiosity, and technological innovation
- a culture of academic, emotional, and social balance
- partnerships with our families and the community.

## Objectives: Measures of Success

- A. Students will demonstrate continuous growth toward academic and personal goals to achieve their full potential.
- B. Students will integrate curriculum with technology to enhance authentic learning experiences.
- C. Students will regularly use appropriate resources to become effective problem solvers.
- D. Students will benefit from increased family involvement and community partnerships.

## Strategies and Actions

1. We will provide multi-faceted and relevant educational experiences that will increase student intellectual capacity.
  - Provide appropriate intervention and support for students
  - Align the science lab curriculum with Next Generation Science Standards (NGSS)
  - Participate in ongoing teacher training to utilize innovative technology through a combination of district and site resources
2. We will promote an environment balancing the academic, emotional, and social needs of our students.
  - Fully implement and sustain Positive Behavioral Intervention and Supports (PBIS)
  - Support Social-Emotional Learning (SEL) through the instruction of Second Step and MindUp curricula
  - Engage all students in high quality service-learning opportunities
3. We will enhance student growth by actively engaging family and community partnerships.
  - Offer family and community events to support home to school collaboration
  - Parents and staff work together to encourage participation at family and community events
  - Foster relationships between local businesses and the school to facilitate learning opportunities
